After collecting your trek bib from event staff and listen to a small briefing, The Trek consists of an 8.5km laps of walking on wide fire trails, around the picturesque Enoggera Reservoir and will take approximately 2 hours. This outstanding Trek offers a few short, sharp hills along the way that may test you, but the Trek delivers some of Brisbane's best bush landscape and lake views. The event will also have Support Staff – who have operated in these D'Aguilar ranges for over 15 years - to offer their support at several stations throughout the Trek, should you need water or support. Participants can still request support between these stations though, as we will have a team of Medical professionals roaming the route in 4x4 vehicles.
